

Dear Community Member,

As you all know, Avery Agricultural and Horticultural (Avery A&H) Fair is a family-oriented non-profit 501(c)(3) that is known for its friendliness and preservation of the mountain heritage that has long been a part of the high country. This volunteer-based fair is focused on education and awareness of agriculture and horticulture in the local communities through scholarships and hands-on learning.

We would like to offer you the chance to be a part of our annual sponsorship family by contributing \$1,000 a year. This commitment can be broken into quarterly (\$250), bi-annual (\$500), or a one-time annual payment (\$1,000).

In return for your sponsorship, your company will automatically become event sponsors at each of the four events we have during the calendar year; this will allow us to build the Avery A&H endowment. These events include Chili Cook-Off, Draft Horse Pull, the Fair, and the Haunted Trail. These events continuously draw a substantial number of our local community members as well as people from surrounding counties.

Most people aren't aware that Avery A&H awards two graduating Avery County seniors a scholarship; the Avery A&H scholarship and the Lindsey Beuttell scholarship. The Avery A&H scholarship is awarded to a senior that is following the agriculture and horticulture career path, and the Lindsey Beuttell scholarship is awarded to a senior who is following the wildlife and conservation career path. Because of the limited resources available to Avery A&H, we are limited to just \$500 for each of those scholarships.

Please consider this opportunity to give back to your local youth and ensure future generations have the tools to sustain what Avery County is built on.

If you have any questions, please feel free to contact me or the Avery County Cooperative Extension Center. We truly appreciate your involvement and ongoing support of our youth. We look forward to partnering with your organization.

If you would like to contribute, you may send an email to averyahfair@gmail.com to set up reoccurring invoices by email with a payment link, or mail a check to:
